On the 4th of March we were selected to go to Clare for Sapsasa cricket. In our team there were 5 Riverton students, 3 Saddleworth students, 2 Manoora students and 1 Burra student. Our coach was Max McClaren and Richard McInerney. Our captain was Sam McCabe. We lost the toss and had to field first. Clare 2 made 9/93 and in reply we scored 8/76.

In the second game we played Balaklava. Our Captain was Ryan Bruce. We lost the toss and were sent in to bat. Our team made 4/110 and Balaklava made 9/68. Isaac made 5 runs and took 2 wickets. Lachie made 17 runs and took 2 wickets. It was really fun and we both really liked it.

On Thursday the 7th of March Lachie and Isaac went to Leadership day at the Adelaide Entertainment Centre. We had to be at the Saddleworth Roadhouse at 6:45 am to get on the bus. We had to pick up Auburn, Farrell Flat and Watervale Primary School at Auburn Primary School. It took us 2hrs to get there. When we got in there was heaps of schools already there and some still to come. We sat on the 1st and 2nd row of the stand. When we started we were introduced to two guys from the Leadership team. Their names were Andy and Mason, they were two from the six leadership team. The first thing we did was we had to get a partner and do as many naughts and crosses as we could. One group got 28 games. We didn’t believe that!

Next we did something called heads, shoulders, knees and toes. About 30 people went up on stage and did the dance. Then after recess we watched movies like Madagascar, Toy Story, The Incredibles and Cars, we talked about who was the leader in the movies in. Isaac N learnt how to be a better leader, how to work better in a group and that the
same person doesn’t need to be the leader all the time. Lachie learnt how to improve his leadership, improve as a leader and how to look out for people more.

After a SRC Meeting earlier in the term, students decided we needed some more sand in the sandpit. A phonecall was made to Roger Kruse and soon a pile of sand appeared! Students are thrilled with the new sand and have been playing in the sandpit daily. Thanks to the Kruse family for the delivery!

EXPERIENCE ANOTHER CULTURE IN 2013 AND IMPROVE YOUR LANGUAGE STUDIES AT HOME

In June-July students from over 20 countries around the world will be arriving in Australia to study at local high schools for 5 or 10 months. Opportunities exist for families to act as a host family, in a volunteer capacity. Hosting can be on a temporary, short or long term basis. Host families help provide international students with the chance to study and experience life in Australia. This is a great way to learn about another country and culture, establish a lifelong link to a family in another country and contribute to international goodwill.

If your family can offer a friendly, supportive and caring home environment, contact us today.
